Dear Commissioners,:

I write to support maintaining the current district lines for my community. The North Shore of Staten Island is a vibrant. Working glad community that is predominately Black and Brown. With large African, Latino, and South Asian immigrant communities melding with longstanding African American, Italian and Irish communities, it is the true melting pot.

Question: Will preliminary maps be made available for community comment? If so. What is the timetable?

Question: what is your process for consideration of purpose changes?

Question: Who can propose changes?

I am a resident of the Port Richmond neighborhood, a member of the NAACP Executive Committee, the NCNW, Staten Island section, the Staten Island Political Action Club and the Richmond County Democratic Committee. I believe my concerns are shared by many. It is unfortunate that so little publicity has been given to the public to date.

Thank you for your work on this crucial matter.
