Subject: Create a South Asian District in Jackson Heights/Woodside area

Esteemed members of the commission:

Please create a new council district for South Asians in Jackson Heights/Woodside area. The area has a large South Asian population composed of India, Bangladesh, Pakistan, Nepal etc.

Over the years, South Asians have been divided between Council District 25 and 26th. Please rectify this issue once and for all and create a new district for South Asians.

Warm regards
