Esteemed members of the commission, Please create a new council district for South Asians in the Jackson Heights/Woodside area. The area has a large South Asian population composed of India, Bangladesh, Pakistan, Nepal etc. In addition, the area has 10 Mosjids where a lot of Muslims pray.
Over the years, South Asians have been divided between Council District 25 and 26th. Please rectify this issue on eve for all and create a new district for South Asian/Muslims.

Warm regards
Tanha Rahman,
