Hello,

We recently bought in a co-op on Roosevelt island and it was brought to our attention that there is consideration for Roosevelt Island to be redistricted. I would like to urge the decision makers to leave Roosevelt Island part of Manhattan. We bought on RI because it is part of Manhattan. Redistricting could drastically affect our home value. Additionally, many on RI identify as Manhattan residents and have for many many years. This change is not fair to the residents of RI.

Thank you,
Heather Lucas
