July 2nd, 2022
New York City Districting Commission
250 Broadway
New York, NY 10007

To the New York City Districting Commission:

Thank you for the opportunity to testify before the Committee at the public hearings on June 29th. I have attached a map to accompany my testimony showing changes that would benefit the community. This proposed map of District 7 (represented by the pink/salmon color on the map) includes the communities of Park West Village, Towers on the Park located on 110th street, and the Commercial Corridor on Columbus Avenue between 100th and 96th streets.

Thank you again for your important work on behalf of our city.

Yours in service,

Ben Rosenfield
