To Whom It May Concern:

Staten Island is a unique community of interest. The good and hard working and tax paying residents of Staten Island cannot afford to have our concerns and interests brushed aside because City Council representatives must split time between representing Staten Island and other boroughs.

10 years ago the Districting Commission realized that Staten Island should have all 3 of its Council districts solely encompassed within the borders of Staten Island. Staten Islanders - Republican and Democrat alike - universally understand that our borough is best served by Council Members who solely represent our borough.

I ask that you please take this into consideration. Thank you - Lisa Favara
