Hon N.Y.C. Districting Commission,

My name is Gene Kelty Jr. and I am the President of the Whitestone Boosters Civic Assoc. which is one of my many other public and civic roles in the community.

Whitestone Boosters Civic Assoc. (A/K/A W.B.C.A.) was one of the 1st Civic Associations in the Town of Whitestone, Queens. We were incorporated back in 1925 and have been and still are servicing the Community area.

I am a life-long resident of Whitestone and have been politically active for a great number of years in NYC Council District 19. As far as I can remember, the CD19 boundary lines have been the same for some 30 years and I would strongly recommend leaving them as is.

Our Organization have had great success working with a variety of Elected Officials from both sides of the aisle and of a range of views spanning the left to the right. I again encourage preservation of the status quo.

I thank you for the time to enter this information into the records and I am at your disposal for any addition information or comments. I can be reached at the above address and this is my personal cell number and email

Sincerely yours,

Eugene T. Kelty Jr President W.B.C.A.
