Hi! I'm from Woodhaven Queens and I would like to ask that the redistricting of this section of Queens be limited to a radius more tightly closed. We are zoned for district 32 but it's so hard to access our City Councilmember who is so far away. Communities like Ozone Park, Richmond Hill and Woodhaven should have their own district, elected officials should not have such a wide range- our interests are so different from those of Howard Beach and not to mention how hard it is to physically visit the Councilmember's office is.

Please let me know how to attend or submit my feedback.

Thanks,  
Lilian
