

## NOTICE OF SOLICITATION

### REQUEST FOR PROPOSALS ISSUED THROUGH THE PASSPort SYSTEM

#### **Mobile Mammography Van Services**

**PIN: 23CP000100R0X00**

**EPIN: 81621P0366**

The New York City Department of Health and Mental Hygiene (DOHMH) is seeking proposals for Mobile Mammography Van Services through the PASSPort system. This RFP is available through the PASSPort system. To respond to this RFP and all other Human/Client Services RFPs, organizations must have an account and an Approved HHS Accelerator PQL qualification status in PASSPort. Proposals and Prequalification applications will ONLY be accepted through PASSPort.

DOHMH is seeking one qualified contractor to provide Mobile Mammography Van Services with Patient Navigation, providing timely breast cancer screening services to economically disadvantaged and medically underserved women in NYC who have not had a timely mammogram (target population).

Mobile mammography van services would help eliminate cancer inequities by providing breast cancer screening and navigation services to women within their own communities. These services would help members of the priority population overcome barriers to care such as access to transportation, immigration status, insurance status, or ability to pay. Mammography van services would focus on one or more areas with a large proportion of Black women in the population, high rates of breast cancer mortality, and high poverty (priority neighborhoods).

#### **The goals of the RFP are to:**

The goals of this RFP are to achieve the following for NYC patients in underserved communities with a large Black population, high breast cancer mortality and high poverty:

1. Relative increase in the number of women attending outreach events
2. Relative increase in the number of women educated about breast cancer screening
3. Relative increase in the number of women screened on-site by mobile mammography at recommended intervals
4. Of those screened, relative increase in the number of women with abnormal findings referred for further diagnostic services.
5. Of those with abnormal findings, increase in the number who received timely diagnostic services

The RFP is posted on PASSPort from August 26<sup>th</sup>, 2021 through October 13<sup>th</sup>, 2021 and can be found [here](#).

DOHMH will hold a pre-proposal conference for interested providers on **Tuesday, September 14<sup>th</sup>, 2021, from 1:00 p.m. – 2:30 p.m.** via Microsoft teams.

- All vendors interested in attending the conference should RSVP to [RFP@health.nyc.gov](mailto:RFP@health.nyc.gov) by 2:00 p.m. on **September 10<sup>th</sup>, 2021**. Be sure to indicate “Mammography Attendee” in the subject line.
- DOHMH will answer questions received by 2:00 p.m. on **September 10<sup>th</sup>, 2021** at the pre-proposal conference. Please email questions to [RFP@health.nyc.gov](mailto:RFP@health.nyc.gov). Be sure to indicate “Mammography Question” in the subject line.
- Substantive information/responses to questions addressed at the conference and those received prior to the question due date will **be released in an addendum to the RFP to all organizations through the PASSPort system.**

If you do not have a PASSPort account or Approved PASSPort HHS Accelerator PQL Application, please visit [nyc.gov/passport](http://nyc.gov/passport) to get started. If you have any questions about your HHS Accelerator PQL status or for assistance with creating a PASSPort account, please contact [help@mocs.nyc.gov](mailto:help@mocs.nyc.gov).
