 - If outside from dusk to dawn, **wear protective clothing** if possible, such as loose-fitting pants, long-sleeved shirts, and socks.
 - **Make sure that your doors and windows have tight-fitting screens.**
Fix or replace screens that have tears or holes.
-

Reduce mosquito exposure around your home:

- Eliminate any standing water that collects on your property.
- Remind or help neighbors to eliminate standing water on their properties.
- Call **311** to report standing water.
