

# Recent West Nile Virus Activity\* in Mosquito Populations of New York City, by Zip Code, September 10 to September 28, 2017

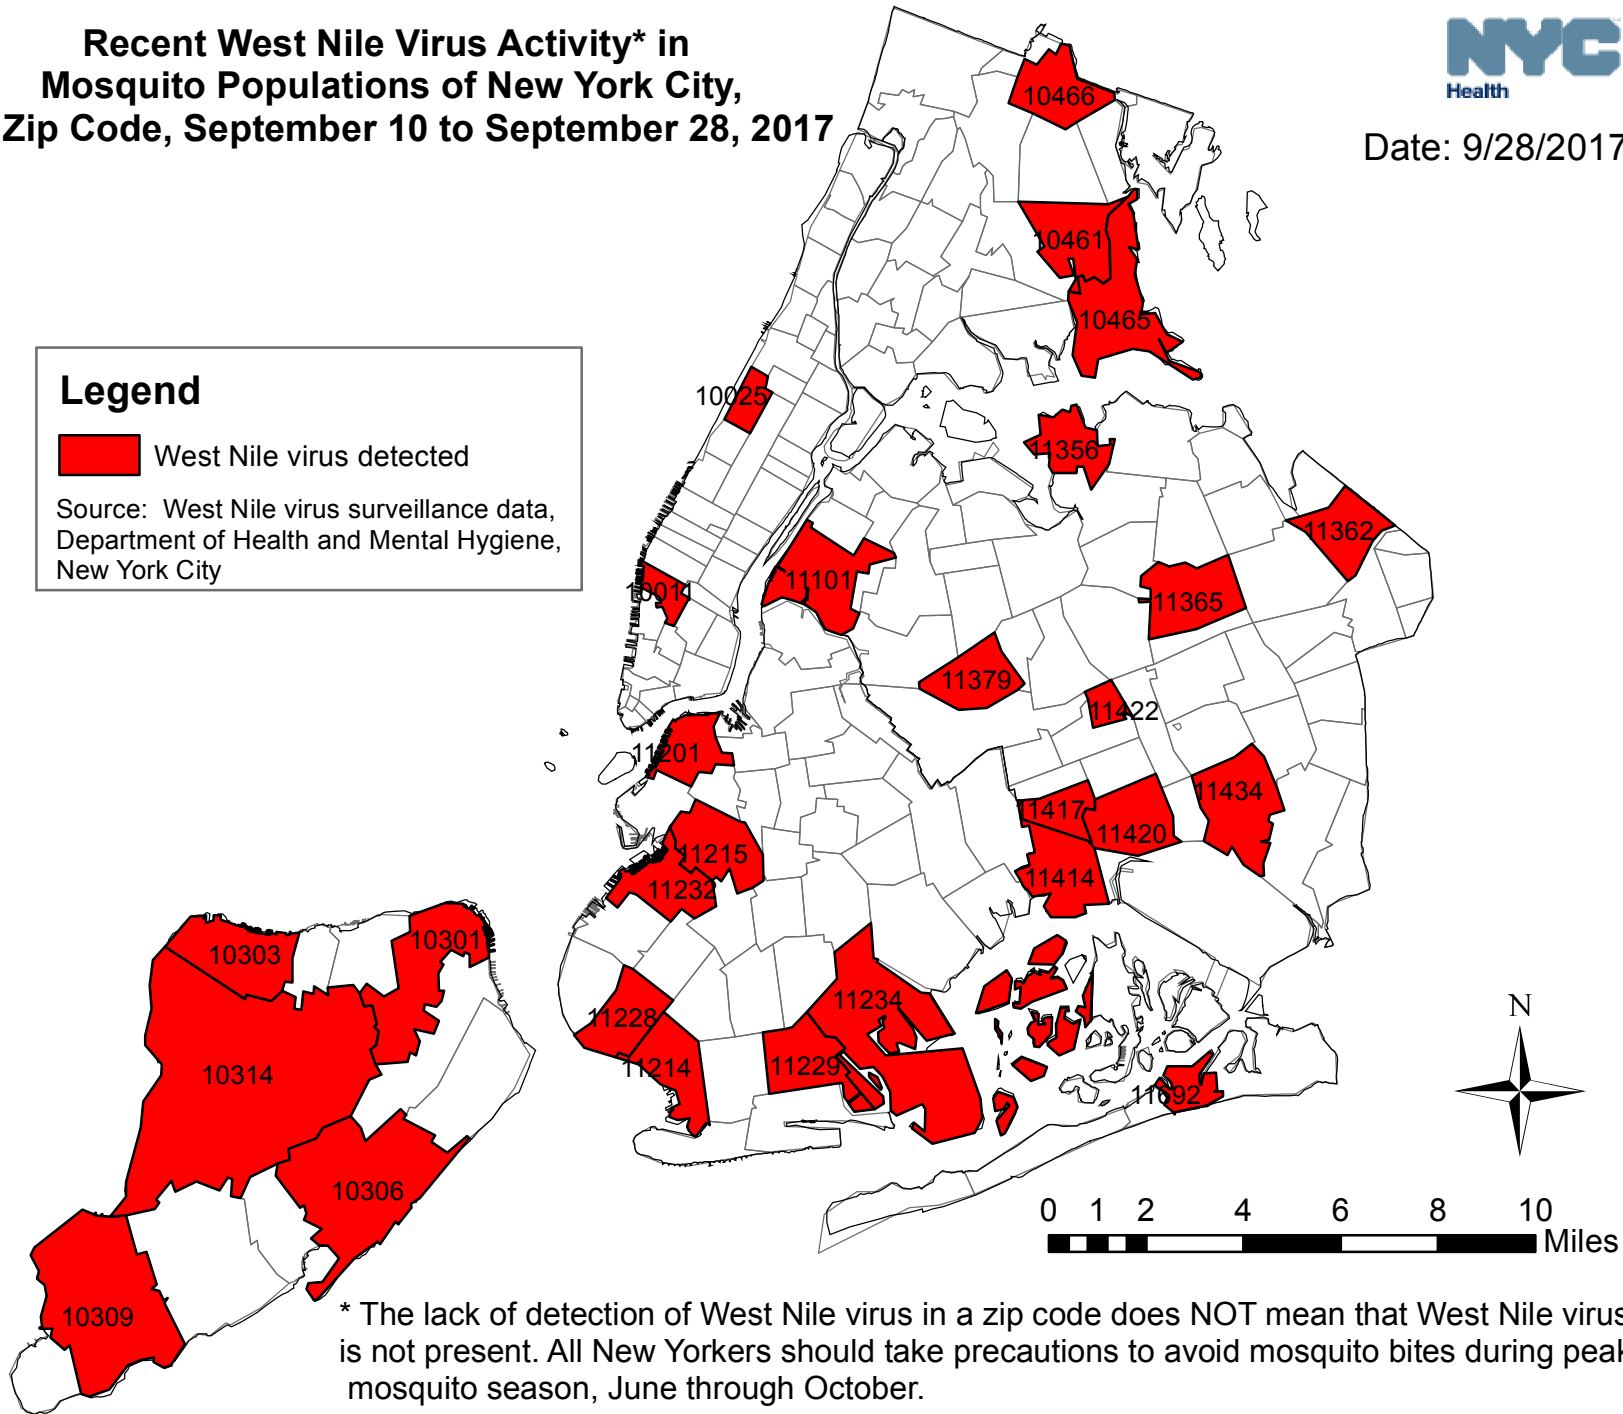

Date: 9/28/2017

**Legend**

West Nile virus detected

Source: West Nile virus surveillance data, Department of Health and Mental Hygiene, New York City

\* The lack of detection of West Nile virus in a zip code does NOT mean that West Nile virus is not present. All New Yorkers should take precautions to avoid mosquito bites during peak mosquito season, June through October.
