

February 7, 2017  
(as amended May 23, 2017)

RE: Authorization for Gaia Strategies to Lobby on Behalf of  
New Yorkers for Responsible Waste Management

As part of his duties as Executive Director, Kendall Christiansen of Gaia Strategies, is authorized to lobby on behalf of New Yorkers for Responsible Waste Management, effective February 7, 2017, before all officials of the City of New York and New York State for the calendar year of 2017.

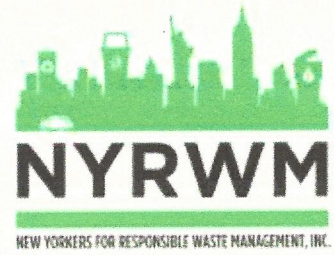

The portion of his monthly retainer expected to support lobbying activity is estimated to be \$500 per month; therefore, it is anticipated that the \$5,000 per year threshold will be exceeded.
