

Project # SANDRESM1 | Borough: Manhattan | Update: 03/03/2022

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Nightwork continues for Delancey Street Bridge Work

Starting the week of March 7th, 2022

Weekdays 10:00 pm to 5:00 am and possible weekends 12:01 am to 11:00 am through the month of March

Construction activities will necessitate overnight work hours to dismantle the Delancey Street Pedestrian Bridge over the FDR Drive. The work may necessitate FDR lane closures - traffic will be maintained. Noise and air monitors are in place. Refer to weekly Construction Bulletins.
