

Project # SANDRESM1 | Borough: Manhattan | Update Date: 09/29/2023

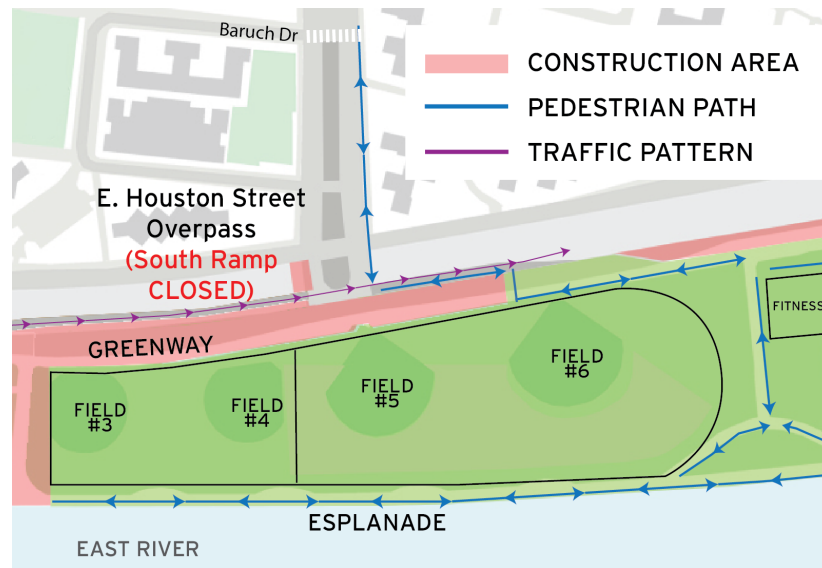

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

New Access Pattern for E. Houston St. Overpass at East River Park

Starting Friday, October 13th, 2023 Ongoing until further notice

Construction activities will necessitate the closure of the E. Houston Street Overpass north ramp and shift pedestrian access to the FDR Drive E. Houston Street on-ramp.

- Park amenities will not be impacted.
- One lane of on-ramp traffic will be maintained at all times.
- Pedestrian and vehicles should follow all posted signs and striping.
