

Project # SANDRESM1 | Borough: Manhattan | Date: 02/26/2024

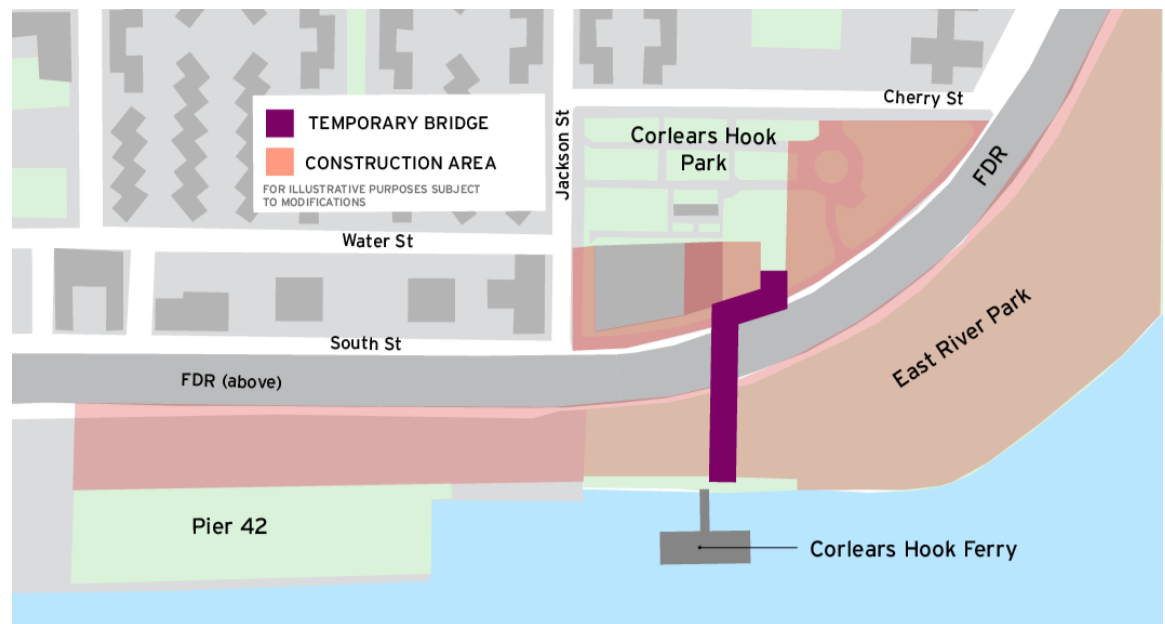

The East Side Coastal Resiliency (ESCR) Project is an initiative to provide long-term flood protection on the east side of Manhattan.

Passive Lawn Closure

Starting Monday, March 11th, 2024

Ongoing until further notice

The East River Park Passive Lawn will require a full closure to facilitate the assembly and installation of the new Delancey Street Bridge and Corlears Hook Park Bridge. Noise and air monitors will be in place. Access to the Corlears Hook Ferry Landing and Pier 42 will not be affected.
