# Construction Bulletin

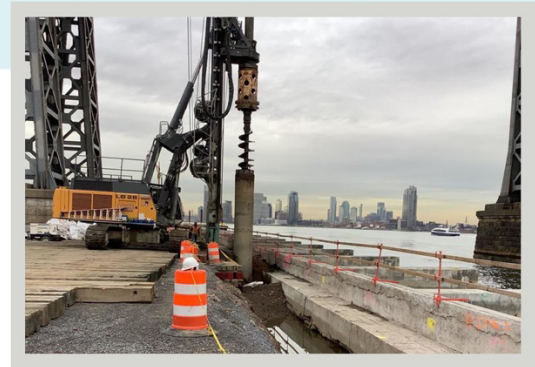

The contractor may extend work hours and/or occur on weekends when necessary, as approval by NYC DDC.  
Utility work by Con Edison may also extend work hours and/or occur on weekends to facilitate utility relocations, maintenance work or inspection services.

Numbers on the map below show the approximate location of the construction operations described on the first page. For more detailed information, see Advisories released for closure and detour posted on the website: <https://www1.nyc.gov/site/escr/project-updates/pa1-notice.page>.

Combi-wall installation underneath Williamsburg Bridge, January 2023
