Note: Companies that begin with the letter E refer to engines, L are ladders, Q are squads and RS are rescue units. The gender and race/ethnicity categories reflect the total number of uniformed members assigned to the fire company. "Work in Other" refers to members that are assigned to the company but work in another location. If a category contains between one and five members, the number is replaced with an asterisk.

**§ 15-145 Annual report on demographic information of FDNY uniformed members assigned to fire companies and special operations units**
