NEW RELEASE

Get Ready! – An all-new PASSPort user experience is almost here!

This Week, Get the results you're looking for with PASSPort!

PASSPort, New York City's end-to-end digital procurement platform, will soon be your one-stop shop for doing business with the City. The enhancements going live this Fall will help you manage every stage of the procurement process better than ever!

Updated Filter Feature – Speed up your search process!

Tired of having a search menu that takes up half the screen? The new filter feature reveals and retracts with the click of your mouse, eliminating the need for endless scrolling to find the results of your search.

Ready for an all-new PASSPort?

This Thursday (11/16) at 4pm, PASSPort will go offline. At this time, MOCS engineers will work quickly to upgrade our software. Our communications team will keep you informed of any developments as they occur.
