IN THE EVENT OF ANY INCONSISTENCY BETWEEN APPENDIX A AND REQUIREMENTS IMPOSED BY FEDERAL, STATE, OR LOCAL LAW, SUCH AS THOSE THAT APPLY TO MATERNITY LEAVE, THE FEDERAL, STATE, OR LOCAL LAW SHALL TAKE PRECEDENCE UNLESS SUCH FEDERAL, STATE, OR LOCAL LAW AUTHORIZES SUCH INCONSISTENCY.

APPENDIX A

Time and Leave Benefits:

1- ANNUAL LEAVE ALLOWANCE

Section 1

A combined vacation, personal business and religious holiday leave allowance, shall be established, which shall be known as "annual leave allowance".

Section 2 **EFFECTIVE MAY 1, 1970**

Annual leave allowance shall be granted to permanent employees who work at least a 250-day year, as follows:

<u>CATEGORY</u>	<u>ANNUAL LEAVE ALLOWANCE</u>	<u>MONTHLY ACCRUAL</u>
Employees who have completed 15 years of service.	27 Work Days (5 weeks and 2 days)	2 - 1/4 days
Employees who have completed 8 years of service.	25 Work Days (5 weeks)	2 days, plus 1 day at end of of vacation year.
All other employees	20 Work Days (4 weeks)	1 - 2/3 days

Section 3

There shall be a pro-rating of the above allowance for employees who work less than a 250-day year.

Section 4

For the earning of annual leave credits, the time recorded on the payroll at the full rate of pay, and the first six months of absence while receiving Workmen's Compensation payments shall be considered as time "served" by the employee.

In the calculation of annual leave credits, a full month's credit shall be given to an

employee who has been in full pay status for at least 15 calendar days during that month, provided however, that (a) where an employee has been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, he shall lose the annual leave credits earnable in one month for each 30 days of such accumulated absence even though in full pay status for at least 15 calendar days in each month during this period; and (b) if an employee loses annual leave credits under this rule for several months in the vacation year because he has been in full pay status for fewer than 15 days in each month, but accumulates during said months a total of 30 or more calendar days in full pay status, he shall be credited with the annual leave credits earnable in 1 month for each 30 days of such full pay status.

Section 5

Calculation of annual leave credits for vacation purposes shall be based on a year beginning May 1st, hereafter known as a "vacation year." All annual leave allowance of an employee to the employee's credit on April 30th and not used in the succeeding vacation year may be carried over from said vacation year to the next succeeding vacation year only, with the approval of the agency head; and any such time not used within the prescribed period shall be added to the employee's sick leave balance.

a. All annual leave accumulations to the credit of employees on May 1, 1961, which exceed the allowance permitted in Article I, Section 5, shall remain to their credit but shall be reduced to the maximum set by the Leave Regulations by May 1, 1970. This shall be accomplished in the following manner:

(1) Any accumulations in excess of 40 days shall be established as an annual leave reserve bank, which shall be in existence until May 1, 1970.

(2) Any time left in the annual leave reserve bank on May 1, 1970 shall be transferred to the sick leave balances of employees. If any such transfer causes an employee's sick leave balance to rise above the 180-day maximum established by the Leave Regulations, the sick leave surplus which exceeds 180 days shall be placed in the employees sick leave bank and shall remain to his credit, notwithstanding the provisions of Article II, Sec. 2.

(3) After May 1, 1970, the full provisions of Article I, Section 5 apply.

b. In the event, however, that the Mayor or an elected official of any department calls upon an employee to forego his vacation or any part thereof in any year, that portion thereof shall be carried over as vacation even though the same exceeds the limits fixed in Article I, Sections 5 and 5 (a) above.

Section 6

The normal unit of charge against annual leave allowance for vacation and personal

business shall be one-half day. Smaller units of charge are authorized for time lost due to tardiness, religious observance, and for the time lost by employee representatives duly designated by employee organizations operating under the Mayor's Executive Order No. 38 dated May 16, 1957, engaged in the following types of union activity:

- a. Attendance at union meetings or conventions.
- b. Organizing and recruitment
- c. Solicitation of member.
- d. Collection of union dues.
- e. Distribution of union pamphlets, circulars and other literature.

The agency is authorized to make such other exceptions as warranted.

Section 7

Earned annual leave allowance shall be taken by the employees at the time convenient to the department. In exceptional and unusual circumstances, an agency head may permit use of annual leave allowance before it is earned, not exceeding two weeks.

Section 8

Where certification of eligible lists permits, provisional and temporary employees shall have the same annual leave benefits as regular employees except that they may not be permitted to use annual leave allowances for other than religious holidays until they have completed four months of service.

Section 9

Penalties for unexcused tardiness may be imposed by the head of each agency in conformance with established rules of the agency. As a minimum, however, all unexcused tardiness both in the morning and upon return from lunch shall be charged to the annual leave allowance.

Section 10

Terminal Leave shall be allowed to employees who work at least 250 days per year at the rate of one month for every ten years of service, (a) the rates of which are fixed in accordance with a Comptroller's determination made under Section 220 of the Labor Law of the State of New York, and (b) of service under the Career and Salary Plan Leave Regulations, prorated for a fractional part thereof.

If the employee so selects, and as an alternative to the above method of computation, his Terminal Leave allowance may be computed on the basis of one day of Terminal Leave for each two days of unused sick leave accumulation, to a maximum of one hundred (100) days Terminal

Leave Allowance. Under the latter option, Terminal Leave shall be computed on the basis of work days, rather than calendar days.

II. SICK LEAVE ALLOWANCE

Section 1

Sick leave allowance of one day per month of service shall be credited to permanent employees, provisional employees and temporary employees and shall be used only for personal illness of the employee.

Section 2

Sick leave allowance shall be cumulative up to a maximum of 200 work-days. After this maximum is reached, no more sick leave credits may be earned by the employee except to the extent of restoring credits subsequently drawn for sick leave and thereby building up accruals again to the maximum of 200 work-days. Existing balances to the credit of employees at the time of adoption of these regulations shall remain to their credit.

Section 3

Sick leave may be granted at the discretion of the agency head and proof of disability must be provided by the employee, satisfactory to the agency head. Presentation of a physician's certificate in the prescribed form may be waived for absences up to and including three consecutive work days. In a case of a protracted disability, such certificate shall be presented to the agency head at the end of each month of continued absence.

Section 4

The normal unit for computation of sick leave shall be not less than one-half day. The agency head may authorize smaller units of charge in exceptional and unusual circumstances. Credits cannot be earned for the period an employee is on leave of absence without pay. For the earning of sick leave credits, the time recorded on the payroll at the full rate of pay, and the first six months of absence while receiving Workmen's Compensation payments shall be considered as time "served" by the employee.

In the calculation of sick leave credits, a full month's credit shall be given to an employee who has been in full pay status for at least 15 calendar days during that month, provided however, that (a) where an employee has been absent without pay for an accumulated total of more than 30 calendar days in the vacation year, he shall lose the sick leave credits earnable in one month for each 30 days of such accumulated absence even though in full pay status for at least 15 calendar days in each month during this period, and (b) if an employee loses sick leave

credits under this rule for several months in the vacation year because he has been in full pay status for fewer than 15 days in each month, but accumulates during said months a total of 30 or more calendar days in full pay status, he shall be credited with the sick leave credits earnable in one month for each 30 days of such full pay status.

Section 5

In the discretion of the agency head, employees except provisional and temporary employees, who have exhausted all earned sick leave and annual leave balances due to personal illness may be permitted to use unearned sick leave allowance up to the amount earnable in one year of service, chargeable against future earned sick leave.

Section 6

At the discretion of the agency head, permanent employees may also be granted sick leave with pay for three months after ten years of City Service, after all credits have been used. In special instances, sick leave with pay may be further extended, with the approval of the agency head. The agency head shall be guided in this matter by the nature and extent of illness and the length and character of service.

III. OTHER AUTHORIZED ABSENCES WITH PAY

Section 1

Absence of permanent employees, provisional employees and temporary employees for the reasons indicated below, shall be excusable in the discretion of the agency head without charge to sick leave or annual leave balances, upon submittal of evidence satisfactory to the agency head:

a. Absence not to exceed four work-days in the case of death in the immediate family. Family shall be defined for this purpose as spouse; natural, foster, step-parent, child, brother or sister; father-in-law or mother-in-law; or any relative residing in the household.

b. For Jury Duty. Leave for jury duty shall be granted to the employee provided that he endorses his check for jury duty to the City.

c. For Court Attendance Under Subpoena or Court Order. Leave to attend court shall be granted when neither the employee nor anyone related to him has a personal interest in the case, and where said attendance at court is not related to any other employment of the employee.

d. Absence required because of Health Department ruling with respect to quarantine.

e. For attendance at New York City Civil Service examination, or for official investigation interview or appointment interview in relation to the resulting eligible list.

f. For attendance of delegates and alternates at State or National conventions of veterans' organizations and volunteer firemen's organizations.

g. Section 2

Prior notice to and authorization by the agency head or his designated representative is required for absence under (b), (c), (e), (f), and (g) of Section 1 above. The employee shall give notice to the agency as soon as possible in all other cases.

Section 3

Agency heads shall grant any leave of absence with pay required by law.

IV LEAVES OF ABSENCE WITHOUT PAY

Section 1

Maternity Leave. Existence of pregnancy shall be reported by the employee, in writing, to the head of agency not later than the completion of the fourth month of pregnancy. Maternity leave of absence, commencing not later than the completion of the fifth month of pregnancy, shall be granted for a period of twelve months, and upon application of the employee, may be extended by the agency head for an additional period, not to exceed six months. Total leave for this purpose shall not exceed 18 months. An employee on maternity leave may be required to report for physical examination before resuming service.

Section 2

VI. ABSENCE DUE TO INJURY INCURRED IN THE PERFORMANCE OF OFFICIAL DUTIES**Section 1**

Whenever an employee, not covered by Workmen's Compensation, is physically disabled in the performance of his official duties, the head of the agency is empowered to grant such employee a leave of absence with pay not to exceed one calendar year. In such case the employee shall be required to execute an agreement, wherein it is stipulated that, in the event that such employee makes any claim or institutes any action against any party whatsoever in relation to such disability, reimbursement in the amount of such pay shall be made to the City or the agency concerned, as the case may be, from the proceeds of the recovery by such

employee but not to exceed the amount of such proceeds. Such agreement shall be in a form and manner prescribed by the Corporation Counsel or other duly empowered counsel. The Agency head may have the injured employee examined by a physician employed by the City in order to determine the extent of the employee's disability and the approval of said physician from a medical viewpoint shall be required for the time granted with pay under this rule. The agency head may require periodic medical examinations of the disabled employee to ascertain the need for continued leave of absence with pay. Notwithstanding the provisions of Article I, Section 4 and Article II, Section 5 annual and sick leave shall accrue during the first six months only of such absence, and shall be credited upon the employee's return to duty.

Section 2

The agency head is empowered to grant leave of absence with pay for the first week's absence of an employee covered by Workmen's Compensation who is physically disabled in the performance of official duties.

Section 3

ROBERT W. LINN
Commissioner

May 5, 2014

Harry Nespoli
Chair, Municipal Labor Committee
125 Barclay Street
New York, NY 10007

Dear Mr. Nespoli:

This is to confirm the parties' mutual understanding concerning the following issues:

1. Unless otherwise agreed to by the parties, the Welfare Fund contribution will remain constant for the length of the successor unit agreements, including the \$65 funded from the Stabilization Fund pursuant to the 2005 Health Benefits Agreement between the City of New York and the Municipal Labor Committee.
2. Effective July 1, 2014, the Stabilization Fund shall convey \$1 Billion to the City of New York to be used to support wage increases and other economic items for the current round of collective bargaining (for the period up to and including fiscal year 2018). Up to an additional total amount of \$150 million will be available over the four year period from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties. Thereafter, \$ 60 million per year will be available from the Stabilization Fund for the welfare funds, the allocation of which shall be determined by the parties.
3. If the parties decide to engage in a centralized purchase of Prescription Drugs, and savings and efficiencies are identified therefrom, there shall not be any reduction in welfare fund contributions.
4. There shall be a joint committee formed that will engage in a process to select an independent healthcare actuary, and any other mutually agreed upon additional outside expertise, to develop an accounting system to measure and calculate savings.

5. The MLC agrees to generate cumulative healthcare savings of \$3.4 billion over the course of Fiscal Years 2015 through 2018, said savings to be exclusive of the monies referenced in Paragraph 2 above and generated in the individual fiscal years as follows: (i) \$400 million in Fiscal Year 2015; (ii) \$700 million in Fiscal Year 2016; (iii) \$1 billion in Fiscal Year 2017; (iv) \$1.3 billion in Fiscal Year 2018; and (v) for every fiscal year thereafter, the savings on a citywide basis in health care costs shall continue on a recurring basis. At the conclusion of Fiscal Year 2018, the parties shall calculate the savings realized during the prior four-year period. In the event that the MLC has generated more than \$3.4 billion in cumulative healthcare savings during the four-year period, as determined by the jointly selected healthcare actuary, up to the first \$365 million of such additional savings shall be credited proportionately to each union as a one-time lump sum pensionable bonus payment for its members. Should the union desire to use these funds for other purposes, the parties shall negotiate in good faith to attempt to agree on an appropriate alternative use. Any additional savings generated for the four-year period beyond the first \$365 million will be shared equally with the City and the MLC for the same purposes and subject to the same procedure as the first \$365 million. Additional savings beyond \$1.3 billion in FY 2018 that carry over into FY 2019 shall be subject to negotiations between the parties.

6. The following initiatives are among those that the MLC and the City could consider in their joint efforts to meet the aforementioned annual and four-year cumulative savings figures: minimum premium, self-insurance, dependent eligibility verification audits, the capping of the HIP HMO rate, the capping of the Senior Care rate, the equalization formula, marketing plans, Medicare Advantage, and the more effective delivery of health care.

7. Dispute Resolution

- a. In the event of any dispute under this agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Arbitrator Martin F. Scheinman for resolution.
- b. Such dispute shall be resolved within 90 days.
- c. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.
- d. The arbitrator shall have the authority to meet with the parties at such times as the arbitrator determines is appropriate to enforce the terms of this agreement.
- e. If the parties are unable to agree on the independent health care actuary described above, the arbitrator shall select the impartial health care actuary to be retained by the parties.
- f. The parties shall share the costs for the arbitrator and the actuary the arbitrator selects.

If the above accords with your understanding and agreement, kindly execute the signature line provided.

Sincerely,

Dear Mr. Nespoli:

1. This is to confirm the parties' mutual understanding concerning the health care agreement for Fiscal Years 2019 – 2021:
 - a. The MLC agrees to generate cumulative healthcare savings of \$1.1 billion over the course of New York City Fiscal Years 2019 through 2021. Said savings shall be generated as follows:
 - i. \$200 million in Fiscal Year 2019;
 - ii. \$300 million in Fiscal Year 2020;
 - iii. \$600 million in Fiscal Year 2021, and
 - iv. For every fiscal year thereafter, the \$600 million per year savings on a citywide basis in healthcare costs shall continue on a recurring basis.
 - b. Savings will be measured against the projected FY 2019-FY 2022 City Financial Plan (adopted on June 15, 2018) which incorporates projected City health care cost increases of 7% in Fiscal Year ("FY") 2019, 6.5% in FY 2020 and 6% in FY 2021. Non-recurring savings may be transferrable within the years FY 2019 through FY 2021 pursuant only to 1(a)(i), 1(a)(ii), 1(a)(iii) above. For example:
 - i. \$205 million in FY 2019 and \$295 million in FY 2020 will qualify for those years' savings targets under 1(a)(i) and 1(a)(ii).
 - ii. \$210 million in FY 2019, \$310 million in FY 2020, and \$580 million in FY 2021 will qualify for those years' savings targets under 1(a)(i), 1(a)(ii), 1(a)(iii).
 - iii. In any event, the \$600 million pursuant to 1(a)(iv) must be recurring and agreed to by the parties within FY 2021, and may not be borrowed from other years.

- c. Savings attributable to CBP programs will continue to be transferred to the City by offsetting the savings amounts documented by Empire Blue Cross and GHI against the equalization payments from the City to the Stabilization Fund for FY 19, FY 20 and FY 21, unless otherwise agreed to by the City and the MLC. In order for this offset to expire, any savings achieved in this manner must be replaced in order to meet the recurring obligation under 1(a)(iv) above.
 - d. The parties agree that any savings within the period of FY 2015 - 2018 over \$3.4 billion arising from the 2014 City/MLC Health Agreement will be counted towards the FY 2019 goal. This is currently estimated at approximately \$131 million but will not be finalized until the full year of FY 2018 data is transmitted and analyzed by the City's and the MLC's actuaries.
 - e. The parties agree that recurring savings over \$1.3 billion for FY 2018 arising under the 2014 City/MLC Health Agreement will be counted toward the goal for Fiscal Years 2019, 2020, 2021 and for purposes of the recurring obligation under 1(a)(iv) above. This is currently estimated at approximately \$40 million but will not be finalized until the full year of FY 2018 data is transmitted and analyzed by the City's and the MLC's actuaries. Once the amount is finalized, that amount shall be applied to Fiscal Years 2019, 2020, 2021 and to the obligation under 1(a)(iv).
2. After the conclusion of Fiscal Year 2021, the parties shall calculate the savings realized during the 3 year period. In the event that the MLC has generated more than \$600 million in recurring healthcare savings, as agreed upon by the City's and the MLC's actuaries, such additional savings shall be utilized as follows:
- a. The first \$68 million will be used by the City to make a \$100 per member per year increase to welfare funds (actives and retirees) effective July 1, 2021. If a savings amount over \$600 million but less than \$668 million is achieved, the \$100 per member per year (actives and retirees) increase will be prorated.
 - b. Any savings thereafter shall be split equally between the City and the MLC and applied in a manner agreed to by the parties.
3. Beginning January 1, 2019, and continuing unless and until the parties agree otherwise, the parties shall authorize the quarterly provision of the following data to the City's and MLC's actuaries on an ongoing quarterly basis: (1) detailed claim-level health data from Emblem Health and Empire Blue Cross including detailed claim-level data for City employees covered under the GHI-CBP programs (including Senior Care and Behavioral Health information); and (2) utilization data under the HIP-HMO plan. Such data shall be provided within 60 days of the end of each quarterly period. The HIP-HMO utilization data will also be provided to the City's and MLC's actuaries within 60 days of the execution of this letter agreement for City Fiscal Year 2018 as baseline information to assess ongoing savings. The HIP-HMO data shall include: (i) utilization by procedure for site of service benefit changes; (ii) utilization by disease state, by procedure (for purposes of assessing Centers of Excellence); and (iii) member engagement data for the Wellness program, including stratifying members by three tranches (level I, II and III). The data shall include baseline data as well as data regarding the assumptions utilized in determining expected savings for comparison. The data described in this paragraph shall be provided pursuant to a data sharing agreement entered into by the City and MLC, akin to prior data agreements, which shall provide for the protection of member privacy and related concerns, shall cover all periods addressed by this Agreement (i.e., through June 30, 2021 and thereafter), and shall be executed within thirty days of the execution of this letter agreement.

4. The parties agree that the Welfare Funds will receive two \$100 per member one-time lump-sum payments (actives and retirees) funded by the Joint Stabilization Fund payable effective July 1, 2018 and July 1, 2019.
5. The parties recognize that despite extraordinary savings to health costs accomplished in the last round of negotiations through their efforts and the innovation of the MLC, and the further savings which shall be implemented as a result of this agreement, that the longer term sustainability of health care for workers and their families, requires further study, savings and efficiencies in the method of health care delivery. To that end, the parties will within 90 days establish a Tripartite Health Insurance Policy Committee of MLC and City members, chaired by one member each appointed by the MLC and the City, and Martin F. Scheinman, Esq. The Committee shall study the issues using appropriate data and recommend for implementation as soon as practicable during the term of this Agreement but no later than June 30, 2020, modifications to the way in which health care is currently provided or funded. Among the topics the Committee shall discuss:
 - a. Self-insurance and/or minimum premium arrangements for the HIP HMO plan.
 - b. Medicare Advantage- adoption of a Medicare Advantage benchmark plan for retirees
 - c. Consolidated Drug Purchasing- welfare funds, PICA and health plan prescription costs pooling their buying power and resources to purchase prescription drugs.
 - d. Comparability- investigation of other unionized settings regarding their methodology for delivering health benefits including the prospect of coordination/cooperation to increase purchasing power and to decrease administrative expenses.
 - e. Audits and Coordination of Benefits- audit insurers for claims and financial accuracy, coordination of benefits, pre-65 disabled Medicare utilization, End Stage Renal Disease, PICA, and Payroll Audit of Part Time Employees.
 - f. Other areas- Centers of Excellence for specific conditions; Hospital and provider tiering; Precertification Fees; Amendment of Medicare Part B reimbursement; Reduction of cost for Pre-Medicare retirees who have access to other coverage; Changes to the Senior Care rate; Changes to the equalization formula.
 - g. Potential RFPs for all medical and hospital benefits.
 - h. Status of the Stabilization Fund.

The Committee will make recommendations to be considered by the MLC and the City.

6. The joint committee shall be known as the Tripartite Health Insurance Policy Committee (THIPC) and shall be independent of the existing "Technical Committee." The "Technical Committee" will continue its work and will work in conjunction with the THIPC as designated above to address areas of health benefit changes. The Technical Committee will continue to be supported by separate actuaries for the City and the MLC. The City and the MLC will each be responsible for the costs of its actuary.
7. In the event of any dispute under sections 1-4 of this Agreement, the parties shall meet and confer in an attempt to resolve the dispute. If the parties cannot resolve the dispute, such dispute shall be referred to Martin Scheinman for resolution consistent with the dispute resolution terms of the 2014 City/MLC Health Agreement:
 - a. Such dispute shall be resolved within 90 days.

- b. The arbitrator shall have the authority to impose interim relief that is consistent with the parties' intent.
- c. The arbitrator shall have the authority to meet with the parties as such times as is appropriate to enforce the terms of this agreement.
- d. The parties shall share the costs for the arbitrator (including Committee meetings).

If the above conforms to your understanding, please countersign below.

Sincerely,

Robert W. Linn
