

The City of New York

Adopted Budget

Fiscal Year 2014

Michael R. Bloomberg, Mayor

Supporting Schedules

SOCIAL SERVICES DEPARTMENT

DEPARTMENT OF SOCIAL SERVICES (DSS) Terms and Conditions, Governing Payments to Voluntary Institutions for the Fiscal Year 2014

NOTE - The funds appropriated in DSS (Department 069) Codes 518, and 519 for the fiscal year 2014 are to be expended in accordance with the following terms and conditions:

Conditions Governing Payments to or for Voluntary Not for Profit Hospitals -

All appropriations made in Department 069 budget to charitable institutions are hereby declared to be subject to the following regulations:

1. The accounts and records of all such institutions shall be kept so as to show their receipts and expenditures pertaining to all institutional activities, and a record shall be maintained in which their expenses shall be recorded under the various classifications in the form required by the Comptroller of the City of New York and as far as practicable such accounts and records shall be kept on an income and expense basis.
2. All payments made to or for institutions, in pursuance of the said appropriations, shall be used by such institutions only for expenses incurred by the institutions for the care, support, and maintenance of person duly committed by a Court of appropriate jurisdiction, the Commissioner of Social Services, or accepted by the Commissioner of Social Services or the Commissioner of Health as public charges, but they shall not include any payments on account of principal or mortgage nor any expense for improvements or additions to plant or equipment, except as stated. Expense for improvements or additions to plant or equipment shall be allowed only as deemed necessary for start-up of a program and for care, support, and maintenance of persons aforementioned. Inclusion of such expense shall require prior approval from the Department of Social Services, and for expense of over \$5,000 per bed, from the Office of Management and Budget. Voluntary hospitals are under the regulations and rates mandated and paid by New York State.
3. All institutions receiving funds by appropriations from the City of New York and their books of record and account, so far as they relate to institutional activities, shall be open at reasonable times to the visitation, inspection and examination of the Comptroller, the Director of Management and Budget, the Department of Social Services and the Department of Health, by their duly authorized commissioners, officers or inspectors, excepting, however that the accounts pertaining to the activities of any religious order which may be in charge of any institution shall be segregated from the other accounts and shall not be subject to this regulation.
4. Upon its appearing to the satisfaction of the Comptroller or the Commissioner of Social Services that it would be to the public interest to withhold payments out of any appropriation made to any institution, he may, in his discretion, withhold the same, immediately giving written notice thereof to such institution and of his intention to apply to the City's chief procurement officer authority to cease further payments. Upon the determination of said Board that such payments shall terminate, the right of any such institution to receive payment from any such appropriation shall thereupon end.
5. No money shall be paid out of any appropriation to any charitable institution which shall deny or limit admission to any destitute, neglected or delinquent clients duly committed by the Commissioner of Social Services, or a Court of appropriate jurisdiction, because of race, color, religion, gender, sexual orientation, disability, national origin, age or martial status. An institution of a particular religious faith shall accept clients adhering to a religious faith other than its own to the extent required in accordance with any settlement, decree or order approved or issued by a court of competent jurisdiction.
6. Payments to or for voluntary hospitals, unless otherwise specifically provided for, are made by New York State at rates as per schedules mandated by New York State, subject to audit by the Comptroller of the City of New York.
