Playground needs to be updated. It is very old playground.

Playground at
Clinton playground only has a 2000's
court. This site needs a full functioning playground.

Highland needs to be brought into
Columbia proper. Re-mapping the street that separates it from the rest of the park should be considered.

Guinness & Indian Lake

Crotona Lake
Indian Lake needs capital to improve water quality (Algae) and to create inverse play area from the fountain.

Box Car playground needs to be updated. Fun and cool space - needs site plan/contract.
