Did You Know?

What's in a name? Do you know the difference in the meaning of these parking signs?

	NO STOPPING	NO STANDING	NO PARKING
Can I stop to drop off or pick up passengers?	No	Yes	Yes
Can I stop to load or unload a package, or merchandise at curbside?	No	No	Yes
Is waiting allowed?	No	No	No

All of NYC was designated a Tow Away Zone under the State's Vehicle & Traffic law in 1959. This means that any vehicle parked or operated illegally, or with missing or expired registration or inspection stickers may be towed.

On **MAJOR LEGAL HOLIDAYS**, stopping, standing and parking are permitted **except** in areas where stopping, standing and parking rules are in effect seven days a week (for example, "No Standing Anytime"). Accordingly, parking meters will not be in effect on major legal holidays.

Double-parking of passenger vehicles is illegal at all times, including street cleaning days, regardless of location, purpose or duration.

It is illegal to park within 15 feet of either side of a fire hydrant. Painted curbs at hydrant locations **DO NOT** indicate where you can park.

An occupied, illegally parked vehicle causes the same safety hazard and congestion as an unoccupied vehicle. Be responsible and park legally.

BE AWARE OF SCAM. SEE BELOW!

Hi there,

I hope all is well with you and your family.

Please see message below forwarded from NYSOFA regarding COVID-19 Vaccine Scams and share with your constituents. Thank you!

Subject: Vaccine Scam Message from ACL
Importance: High

Good Morning,

Though we've only seen one COVID-19 vaccine scam in SIRS at this point, we know that this this type of fraud will move very quickly, very soon, and will take many forms. Scammers rapidly alter their tactics and adapt their schemes to the changing landscape, and we anticipate that they will leverage the pending COVID-19 vaccine to prey on unsuspecting beneficiaries. At this point, it is essential that we alert the public of likely schemes and provide them with information on how they can protect themselves:

- You likely will not need to pay anything out of pocket to get the vaccine during this public health emergency.
- You cannot pay to put your name on a list to get the vaccine.
- You cannot pay to get early access to the vaccine.
- No one from Medicare or the Health Department will contact you.
- No one from a vaccine distribution site or health care payer, like a private insurance company, will call you asking for your Social Security number or your credit card or bank account information to sign you up to get the vaccine.
- Beware of providers offering other products, treatments, or medicines to prevent the virus. Check with your health care provider before paying for or receiving any COVID-19-related treatment.
- If you get a call, text, email — or even someone knocking on your door — claiming they can get you early access to the vaccine, STOP. That's a scam.

As you receive specific vaccine fraud case information, please notify the SMP Mailbox (smp@acl.hhs.gov) and me (marissa.whitehouse@acl.hhs.gov) via email ASAP. Additionally, if you have a beneficiary who you believe might be willing to speak about their experience with being approached/contacted about this type of fraud, please email me directly.

As always, if your constituents have aging questions/concerns please contact the Aging Connect hotline at 212-244-6469.

Stay Safe & Happy Holidays!
