

FOLLOW YOUR WASTE

Follow Your Waste Prize Open March 1 - April 15, 2022

Are you trying to improve your school's recycling or waste diversion this year? Follow Your Waste to learn more about recycling and waste diversion in NYC and win \$1000 for your school.

Follow these 3 easy steps to win \$1000 to spend on your Green Team, class, or school (no preferred vendors).

1. Play the Follow Your Waste game with your class.
2. Fill out a short survey about Follow Your Waste and describe a recycling or waste diversion project your school has completed or is working on this school year.
3. Post a photo of your school's current waste diversion project or setup on nyc.gov/zws by April 15, 2022 at 5pm.

You will be alerted by the end of April if your school has won this \$\$ and funding will be disbursed by mid-May. You will need to spend \$\$ by October 30, 2022.

Examples of current recycling and waste diversion projects*:

- Setting up new waste sorting stations for eating inside or outside the cafeteria
- Training and implementing Recycling Monitors in cafeteria, lunch areas, or classrooms
- Ensuring all classrooms have uniform labeled recycling bins
- Monitoring and Inspecting Recycling in Classrooms
- Conducting a Waste Audit
- Have another recycling or waste diversion project in the works? Apply and tell us about it!

*** Use Zero Waste School's resources to help make your project a success!**
